

# Creating an Animated Button

Mark Zamoyta

[mark@curiousinventions.com](mailto:mark@curiousinventions.com)

# Introduction

- **Using Font Awesome**
- **Animating a Radial Gradient**
- **Animating on Mouse Events**
- **Animating on a Click**
- **Icons with Wheels MUST Crash**
- **Modular, Reusable code**

# Summary

- **Imported Font Awesome for Icon**
- **Animated on mouseenter, mouseleave and click events**
- **jQuery's fadeIn, fadeOut and animate methods**
- **Modularized the code for reuse**
